A Tip From Paris:

I found that slide mounts serve as fabulous frames for the springtime floral art in the [Busy Scrapper's Solution 4 Seasons Papers](#) collection. I simply placed the slide mounts over the floral cut-outs and glued one on each side of the tag to balance the layout. For a fun accent, I cut strips of pink mesh paper and tied knots in them—they look just like ribbon. I added one to the top of each slide mount and one to the top of the tag for a fun 3-D look.
