### A Tip From Susan:

An 8"x8" album is the perfect way to chronicle your family's Disney vacation—they can flip through the [8"x8" Disney album](#) anytime to recall all the great memories. This Mickey color blocked background paper was ideal for a quick and easy page. I added cut out tape-style fragments along the right edge of the paper for a more finished look and used knotted pieces of gingham ribbon for a bit of dimension.
