Instructions:

1. Trim each card to 3 3/4" x 6 1/2". Open the cards and turn one over with the fold at the center. Glue ribbon across the center of the crinkled paper and center panel as shown.
3. Glue the square paper art to the lower portion of the center panel, centered over the ribbon. Cover a slide mount with lavender mesh paper and glue over the paper art as shown.

A Tip From Susan:

back of your knife to carefully score folds in your overlay duplicating the card folds, but do not cut through. Fold the overlay and place over the card. Attach corners with silver brads, then trim edges even with the card edges.

5. Cut out tags and add word fragments to them. Glue the front panel of the card, on the overlay. Add silver heart clip to tags and tie with ribbon.
