A Tip From Shauna:

[Cardstock stickers](#) are perfect for creating a page border. I stacked these [Family Cardstock Stickers](#) in a blocked pattern on the left side of the page, then added penwork around them. I used additional stickers on the photo and left side of the page to balance the layout. These themed stickers coordinate perfectly with the [Heritage Busy Scrapper's Collection](#) for quick and easy page designs!

- right side of light brown cardstock for a 12" layout.
2. Arrange cardstock stickers along brown cardstock border. Use a black pen to add penwork. Stamp on sticker with black ink and alphabet stamps.
 3. Run the long ribbon border sticker across the bottom of the page. Fold up the lower right hand corner and place a 3" square of the chenille paper behind it. Add a knotted piece of ribbon to accent the folded corner.
 4. Place brown tape style stickers along right edge of the layout as shown.
 5. Mat photo on light pink cardstock, trim to 1/16", mat on light brown and trim to 1/4". Ink edges with black and add stitch penwork with black pen. Adhere to top right of floral paper. Run ribbon fragment sticker vertically along right edge of photo.
 6. Computer journal on eggshell, leaving a space for a ribbon fragment sticker in the center. Chalk with brown, place sticker on journaling, ink edges with black and use black pen for stitching. Add a piece of knotted brown ribbon to each end and attach to layout with a Glue Dot™.
