### A Tip From Shauna:

As a sports fan and busy mom to two sports-minded kids, I love this [Sports All-in-One Album Kit](#). It's so simple to put my pages together! Everything I need is right at my fingertips. The 12"x12" post-bound album is perfect for a sports-themed scrapbook; it even has a spot on the front where I can showcase my favorite photo. The kit came with 21 sheets of patterned papers, plus all the art and cardstock alphabet tiles—all coordinated for me! I've used the album to showcase all of Jason's sports photos for the year, creating a title page with a photo of him and journaling about his love of sports.

2. Trim red paper to 5 1/8" wide. Mat only the right edge on green paper and trim to 1/16". Mat the right edge again on brown texture paper and trim to 1/8". Glue the brown textured edge of the mat over the left edge of the yellow background paper to cover the hole where the photo mat was cut.
3. Trim blue/black stripe paper to 3 1/8" x 12". Mat the top edge on green paper and trim to 1/16". Mat on brown texture paper and trim to 1/8". Attach to the bottom of layout. Center star border on top.
4. Center matted photo in yellow portion of layout. Top with star squares attached with foam tape and "Go Team" words.
5. Use foam tape to attach the sports squares to the red border on the layout. Glue "Spirit," "Score" and "Team" next to each square.
