### A Tip From Paris:

Almost Done™ Page Kits make creating beautiful layouts so simple! Use the handmade embellishments as is, or accent them with brads, ribbon or glitter for added personal flair. Since each kit comes with 6 coordinating papers and tons of handmade embellishments, combine any or all of them in any way you choose—there are countless possibilities for one, or even six unique pages!

See your local retailer for project supplies.

### Supplies:

- [Feminine Almost Done™ Page Kit](#): Basket weave with striped border paper, solid green paper, solid ivory paper, green grosgrain ribbon and floral embellishments
- green pen
- Glue Dots™
- glue stick

### Instructions:

#### For the Left Page:

1. Using the basket weave with striped border paper, turn the paper so the striped border is on the left side.
2. Cut a 13" length of green grosgrain ribbon. Add it vertically to the paper, covering the seam between the basket weave and striped border portions of the background paper and wrapping the ends around the edges of the paper to secure on the back. Add the three floral basket embellishments to the ribbon strip as shown. Cut three 3" lengths of green grosgrain

- ribbon and tie a knot in the center of each, then trim the tails at an angle. Using Glue Dots™, attach one ribbon knot to the top of each floral basket embellishment.
3. Cut a 6 3/4"x10 1/2" piece of solid ivory paper. Mat the photos on green solid paper, trimming the mats to 1/8". Mat the photos together on the ivory paper, leaving a 1/4" border around all edges and room in the center for embellishments. Add the flowers, "bloom" and "grow" embellishments between the photos as shown. Glue the ivory mat to the basket weave portion of the page with a glue stick.
  4. Using a green pen, journal the names onto solid ivory paper and crop to 3/4"x1/2". Add the journaling to the blank tag on the center floral basket embellishment.
